

Returning Veterans Project

free counseling and other health services
for returning veterans and their families

Dear Provider:

Thank you for your willingness to provide pro bono care to US Military Service members and their families as a volunteer provider with the Returning Veterans Project (RVP). We recognize this can be a difficult and complex task. To ensure that this is a successful experience, we provide the clinical guidelines and a Terms of Service Contract below.

To become a provider, you will need to attend an Orientation Session. Orientation Sessions are offered at both lunch and evening times throughout the year. Upon receipt of your completed online application, we will email you with a list of available sessions.

Provider Requirements

1. As one of our providers, you are limited to seeing veterans and active duty military who have served or are serving in the current Iraq and Afghanistan campaigns and their family members.
2. You agree to provide pro bono treatment or support to one veteran and/or family member(s) at a frequency that matches the standards of your practice. It is up to you if you choose to work with more than one veteran or family member of Iraq or Afghanistan campaigns.
3. You agree to conduct your pro bono work with the same high ethical and professional standards as are used in your general practice.
4. You agree to be responsible for screening referrals to determine whether they are appropriate for your scope of training, otherwise referring them back to the project's directory.
5. You agree not to accept insurance payments from veterans and their families.
6. You agree not to publicly identify or represent yourself as a spokesperson of the project without prior permission from the Board of Directors.
7. You agree to educate yourself on the effects of trauma, war and the treatment of combat PTSD, and to know about veterans' benefits and how to refer veterans and families to these resources.
8. You agree to attend at least one training session a year provided by the Returning Veterans Project.

9. You agree to update your 'availability status' as it alternates between 'available' and 'not available' while working with a veteran and/or family member by emailing your updated status to info@returningveterans.org.
10. You agree to keep track of your time spent in session with veterans and family members referred by RVP and make that information available when contacted twice a year for our Provider Survey.
11. You agree to submit copies of your license and professional liability insurance upon every renewal.

Available Support

RVP staff is available via email (info@returningveterans.org) or phone (503-933-4996) Monday through Friday from 9:00 am to 5:00 pm.

RVP provides trainings throughout the year, free to current RVP providers.

The RVP website provides links to additional resources pertaining to veterans' issues. This includes information on veterans' benefits.

RVP sends an E-newsletter a few times per month to keep you updated on conferences and topics of clinical interest to Providers as well as additional resources for veterans.

Your contribution is greatly appreciated!

Please find our Provider Service Contract below. Please bring a signed copy of the contract and copies of your current license and professional liability insurance coverage to your scheduled Orientation Session.

Thank you.
